

IMPULSE MERCHANDISERS™

Whichever Road Comes Your Way

MISSION STATEMENT

Impulse Merchandisers is a rapidly-growing automotive accessory product-driven company, headquartered in Los Angeles, California with an additional shipping facility in Memphis, Tennessee. Our promise is to present new product concepts to increase sales and profitability to our partners in all channels. The team's attentiveness and customer-centric approach allows for maximum efficiency.

Impulse Merchandisers' experience is based on a 16-year tenure in the automotive aftermarket as a manufacturer and importer. The founders' experiences come from over 80 years of combined manufacture representation, distribution, and buying for retail. Impulse Merchandisers seek to stock the latest and best trends for you and your customers. This is where fashion meets function for the best designs.

Impulse Merchandisers continuously strives to offer you products they are passionate about. This passion comes from the balance of creativity and purpose. The company's primary principals, in which the entire organization operates from, are achieved through extraordinary customer service, product design innovation, quality manufacturing standards, and satisfying the needs of the end consumer.

Cleaning

and Detailing

Luxury Driver produces a wide assortment of premium microfiber towels and wipes. Our microfiber towels are great for washing, drying and waxing your ride. They gently remove dirt and grime by using thousands of microfibers to trap particles and preventing scratches to your vehicle. For drying, they absorb 3x more water than cotton. Our quality wipe products meet your cleaning and other personal convenience needs for home, office or on the road.

Microfiber Towels

Steering Wheel Covers

Steering Wheel Covers are a great addition to your store's automotive accessory offerings. With styles that provide comfort, fashion, and protection; we can cover your store and customer's needs.

DIAMOND CORE TECHNOLOGY

Diamond Tech Core Insert

Highest Quality TPE core with engineered pattern to create easiest installation + no smell + no stain.

Luxury Driver's highly engineered core pattern creates an elastic mesh like effect which allows the consumer an easier time to install the product.

Higher Stitch Count

Our high stitch count leads to more of a perfect circle after installation and a tighter fit overall.
